Happy November!

Do you think for Thanksgiving, we hope everyone gives time with family or friends out to turkey and show off their knowledge of Thrytich's structure. As always, if you have any comments or concerns, please fill out our anonymous Google forms. Have a great month!

- Lindsey and Kaitlyn

News & Notes

- It’s grant season! Good luck to all those submitting their abstracts and applications to any program. To all recipients, please let us know if you or someone from their lab received any credits or anything else we can give them a proper shout out! Use the form here.

- The Biochemistry Student Association (BSA) is excited to announce its first Digital Colloquium! All faculty and students are welcome to attend.

- We sadly announce the passing of our beloved mentor, Sharon Wink. We want to give a shout out to Emilie Rivera and Sam Eady, who we featured earlier this year, as they were nominated again thanks to their awesome contributions to the department. If you would like to honor the memory of Dr. Wink, please consider signing up for Colleagues in the button above.

- The holiday season is upon us... There’s good win, holiday cheer, seasonal decor, and most importantly, food!

- What is your favorite Thanksgiving food?

- Turkey, a.k.a. the star of the show.
- Stuffing, undoubtedly one of the sides to go with our holiday meal. It’s so good, it could be the star of the show.
- Sweet potato casserole, thanksgiving taffy glazed delicious.
- Pie, representing the most of the holiday.

The results are in!

The vast majority (98%) are going with “explicit your thesis to someone on a first day over our grant season. Honestly, this fits perfectly with the holiday season coming up. Good luck developing your layout elevator pitch.

- Is there anything you’d like to do on your favorite “Top 5” list? Food, movies, etc. (e.g., couples counseling, addiction, telehealth options, etc.). You can also filter for the type of counseling/therapy you are seeking (e.g., couples counseling, addiction, telehealth options, etc.).

- Check it out!

- There are 3 new Policy and Advocacy updates coming out in November. Both events require registration which can be done here.
- Some relevant programing from the Graduate School Academic Life Coaches is as follows:
- Self-Efficacy: Building Confidence and Independence as a Researcher
- Receiving and Responding to Feedback – The Power of Social Persuasion
- Finding Work/Life Balance

- These events are for those earlier in their graduate school experience, come learn about fellowship applications at the ASPIRE colloquium and how to write fellowship applications at the BSA colloquium.
- The Graduate Student Council will be hosting a General Body Meeting on the 19th at 12pm, In-Person - Frontiers Lecture: Camila dos Santos, Cold Spring Harbor Laboratory
- For those earlier in their graduate school experience, come learn about fellowship applications at the ASPIRE colloquium and how to write fellowship applications at the BSA colloquium.
