Assistant Professor in Human Neuroscience

The Psychology Department at Northwestern University, invites applications for a tenure-track Assistant Professor position in the human neurosciences, focusing on affective, social, developmental, and/or cognitive neuroscience, beginning Fall 2018. A Ph.D. or similar terminal degree is required.

Interested candidates should submit electronically a statement of research interests, curriculum vitae, and copies of recent publications through the online application found at http://www.psychology.northwestern.edu/people/faculty/job-opportunities.html.

Three letters of recommendation will also be required, and can be submitted by letter writers directly through the same website. Inquiries may be addressed to psychsearch@northwestern.edu. Review of applications will begin on November 17, 2017.

Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes, including veterans and individuals with disabilities. Women, racial and ethnic minorities, individuals with disabilities, and veterans are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.
