ANNOUNCEMENTS

Join us today as we host **Heather Dillon of the Jackson Laboratory** as she talks about her perspective as an employer and what they look for in candidates.

Save the date: Management consulting firm **BCG (Boston Consulting Group)** will be coming to campus to recruit advanced degree candidates on Wednesday, June 27. More details coming soon.

The **Vanderbilt Summer Science Academy (VSSA)**, a summer research program for undergraduates, is looking for graduate students, postdocs, and other lab staff to help judge abstracts and posters at the VSSA 16th Annual Student Research Symposium. The symposium will be held August 2nd.
Vanderbilt is transitioning the research funding opportunity database from ProQuest Pivot to InfoEd Global SPIN. Your access to Pivot will end on June 30, 2018. Any saved searches you have in Pivot must be recreated in SPIN prior to this date. Learn more here.

**CIRTL's introductory MOOC on evidence-based undergraduate STEM teaching** is now open for registration.

Astellas Pharma Inc. announced the launch of the third annual Astellas Oncology C3 Prize (Changing Cancer Care), a global challenge aimed at inspiring non-treatment ideas that may improve cancer care for patients and their loved ones. Applications open through July 25.
