BRET EVENTS OF THE FORTNIGHT

Amgen/Vanderbilt Postdoc Day Application
Due today!

ASPIRE Cafe for Postdoctoral Fellows: Setting Up and Running a Lab
Thursday, July 12 • 3:00pm • Light Hall 419
Sponsored by the BRET Office of Career Development

CV/Resume Drop-In Clinic
Every Wednesday • 12:30-1:30pm • Light Hall 340
Sponsored by the BRET Office of Career Development

ANNOUNCEMENTS

Want to volunteer with the BRET Office of Career Development?

The ASPIRE Program is partnering with Amgen, in Cambridge, MA, to send two senior graduate students or postdoctoral fellows to their event, From Academia to Industry: An Amgen Perspective on August 10. Travel scholarships available. Learn more here.

Gain teaching experience by serving as a FOCUS co-Leader for 2018.

The Health:Further team is seeking volunteers to join them at the 2018 Festival. As a volunteer, you’ll have free access to the three-day event which includes: exciting keynotes, a startup pitch competition, panel discussions, product demos and much more!

The Press Office of Cell Press is offering a fall science writing internship for current graduate students or those who recently finished a graduate program. The program is designed to give you the full experience of being a press officer at a major publishing operation.
The American Institute of Biological Sciences is pleased to announce that registration is now open for the 10th annual Biological Sciences Congressional District Visits event.

If you’re interested in applying for one of our full-time Bain & Co. Consultant positions starting in 2019, you can find more details on the role and the application process by visiting the Bain Careers Website/Advanced Degree Page.

UC Irvine’s Center for Complex Biological Systems is pleased to announce the annual short course in Big Data Image Processing & Analysis (BigDIPA), September 17-21, 2018.

iBiology is now offering two online training courses in self-paced format: Planning Your Scientific Journey and Business Concepts for Life Scientists.

SPECIAL ANNOUNCEMENT

Data Science Essentials

Launching this Fall... applications open soon.

The BRET Office of Career Development ASPIRE program has been awarded a Burroughs Wellcome Fund grant to launch a new course called, "Data Science Essentials."

The application details will be announced in mid-July.

UPCOMING BRET EVENTS

CV/Resume Drop-In Clinic
Every Wednesday
12:30-1:30pm
Light Hall 340
Sponsored by the BRET Office of Career Development

Monday, July 16
10:00-11:30 am
Alumni 201
Sponsored by the Office of Postdoctoral Affairs
Register here.

DEADLINES

Vanderbilt/Amgen Postdoc Day application: Deadline is TODAY, July 9

Insight Data Science Fellows Program: Deadline is today, July 9

National Biosafety and Biocontainment Training Program (NBBTP) Fellowship: Applications due August 1
JOB OPPORTUNITIES

Follow us our job feed on Twitter! @VUBRETPhDJobs

If you would like to advertise an open job or postdoc position in the BRET Office of Career Development newsletter, please post the opportunity through our webform or contact Kate Stuart. We welcome submissions from faculty, alumni, postdocs, students, and the community.

Local Opportunities

Postdoctoral Researcher, Chemistry, Marnett Lab, Vanderbilt University, Nashville, TN

Research Fellow, Computational Biology Care, National Institute on Aging, Baltimore, MD

Lab Manager, Vaccine Center, Vanderbilt University Medical Center, Nashville, TN

Staff Scientist, Mass Spectrometry Facility, National Institute of Dental and Craniofacial Research, Bethesda, MD

Faculty, Pharmaceutical Sciences, Lipscomb University, Nashville, TN

Staff Scientist, NIDCR Imaging Core Director, National Institute of Dental and Craniofacial Research, Bethesda, MD

Diabetes Medical Science Liaison, Sanofi, Nashville, TN

Scientific Image Analyst, American Society for Biochemistry & Molecular Biology, Rockville, MD

Medical Science Liaison, Neuroscience, Syneos Health Commercial Solutions, Nashville, TN

Staff Scientist, RNA Bioinformatics, National Cancer Institute, Bethesda, MD

Other Opportunities

Postdoctoral Fellow, Molecular and Cellular Biology, Heemstra Lab, Emory University, Atlanta, GA

Director, Office of Postdoctoral Affairs, Indiana University, Indianapolis, IN

Postdoctoral Research Position, Division of Cardiology, University of Maryland-Baltimore

Senior Data Curator, Rancho Biosciences, San Diego, CA

4 NIH-funded Postdoctoral Fellows, Translational Glycomics K12 Program, Dr. Hoffmeister

Director, Graduate Student Professional Development, Clemson University, Clemson, SC

Postdoctoral Fellow, Writing-to-Learn Pedagogies, Biology Department, Duke University, Durham, NC

Bioinformatics Scientist, Digicon, Mclean, VA

Senior Scientist, National Institute of Allergy and Infectious Diseases, Bethesda, MD
Postdoctoral Position, PhD Professional Development, Office of the Provost, Boston University, Boston, MA

Postdoctoral Research Fellow, Cell Cycle, Development Laboratory, Kimata group, Shanghai, China

Biologist/Toxicologist, Environmental Protection Agency (EPA), Washington, DC

Research Scientist I, Cancer Biology, Remedy Plan Therapeutics, Rockville, MD

Medical Information Scientist, Fresenius Medical Care Renal Therapies Group, Charlotte, NC

Staff Scientist, Cellular and Molecular Biology, National Institute on Deafness and Other Communication Disorders, Bethesda, MD

Tenure Track/Tenure-Eligible Investigator, National Institute of Allergy and Infectious Diseases, Hamilton, Montana

Assistant/Associate Research Scientist, Science & Policy, University of California of San Francisco, CA

Associate Program Officer, Crohn's Disease, The Helmsley Charitable Trust, New York, NY

Product Sales Specialist, Life Sciences Filtration, GE Healthcare, Houston, TX
