**Save the date!**

**BRET 25th Reunion**
**June 1-2, 2017**
Go on a field trip with ASPIRE On the Road!
Organized site visits to companies help grad students and postdocs make well-informed career decisions. The first trip is to Fisk University on October 18! The deadline has been extended.

The 2016 Vanderbilt Translational Research Forum will feature more than 25 nationally recognized Vanderbilt researchers presenting their translational science.

The STEM Pedagogy Journal Club first journal club meeting this semester will be on Thursday, Oct. 13th from 4-5pm in MRBIV 11455. We will be joined by Dr. Kelli Kazmier, a Vanderbilt alum and assistant professor at Hillsdale College.

On October 17, join the Vanderbilt University Women in Science and Engineering Small Lunch focused on Work-Life Balance: Beyond Parenting.

The CIRT is recruiting grad students and postdocs to participate in the Tiered Mentoring Program.

International students! Attend the workshop about employment authorization via CPT and OPT.

Belmont University is looking for an adjunct professor for Spring 2017.

The Hanna H. Gray Fellows Program seeks to increase diversity in the biomedical research community by recruitment and retention of individuals from groups underrepresented in the life sciences.

The Howard Hughes Medical Institute (HHMI) announced a new program to recruit and retain early-career scientists who are from gender, racial, ethnic, and other groups underrepresented in the life sciences, including those from disadvantaged backgrounds.

Learn more about the 2016 SESYNC Postdoctoral Fellowship Program, emphasizing synthesis research.

Visit the tool aimed at building mentor/menteer connections: the National Research Mentoring Network, funded by the NIH Common Fund’s Diversity Program Consortium.

What does the BRET Office of Career Development do all year? Check out our annual report!

**INTERNSHIP CORNER**

The ASPIRE Program along with the Office of Career Development is excited to offer ASPIRE Internships. If interested in any of these opportunities, please email Ashley Brady to set up a brief meeting to discuss your interest.

**Adventure Science Center TWISTER Intern**
Nashville’s Adventure Science Center’s Education Department seeks an intern to assist with planning and coordinating the TWISTER 2017 conference event to take place on Saturday, February 11, 2017.
*Deadline: today, Monday, October 3, 2016*

**Fisk University Teaching Internship**
Biochemistry II Course (Spring 2017)
Postdoctoral fellows only; this will be an intensive opportunity to serve as principal course lecturer as an Adjunct Instructor.
*Deadline: today, Monday, October 3, 2016*

Let Ashley Brady know if you have questions that aren’t addressed in our ASPIRE Internship FAQs page. For more information, including eligibility requirements, please visit the internship page.

---

**JOB OPPORTUNITIES**
In an effort to simplify the information found on the often-updated Office of Career Development Blog, job postings can be found on Twitter. Find a tutorial on this feature on our blog.

Follow us on Twitter! @VUBRETPhDJobs

If you would like to advertise an open job or postdoc position in the BRET Office of Career Development newsletter, please post the opportunity through our webform or contact Kate Stuart. We welcome submissions from faculty, alumni, postdocs, students, and the community.
