Friday, November 11 • 10:00am • Light 512
Registration is requested.

ANNOUNCEMENTS

The BRET Office of Career Development announced the Spring 2017 Management and Business Principles for Scientist module is now accepting applications. The free, short-course will be offered in the spring, with classes held on Friday mornings. Class size is limited to 20 graduate students and postdoctoral fellows. **Deadline to apply in November 15.**

Today at 5:15pm, Dr. Munira Basrai, PhD, Senior Investigator, Center for Cancer Research, National Cancer Institute will hold an informal discussion about training and career opportunities at the National Institutes of Health.
If you are a postdoctoral fellow or graduate student in a science-related field, visit www.youngscientistjournal.org and sign up to become a reviewer for this upcoming year. Learn more here.

In September, the NIH published a notice announcing three online video briefings the NIH Center for Scientific Review (CSR) will host in the coming weeks for NIH grant applicants, their mentors, and reviewers.

The NIH last month announced multiple funding opportunities under the Brain Research through Advancing Innovative Neurotechnologies (BRAIN) Initiative, originally launched in FY 2014.

Join the Graduate Student Council and the Graduate School as Tricia Rose Burt, professional storyteller, teaches the Fundamentals of Storytelling.

The LifeScience Tennessee annual conference -- LST CON -- is Thursday, November 3!

Now is the time to apply to 2017 Global Summer and Full-time Opportunities with consulting firm McKinsey & Co.

The Yale Ciencia Academy (YCA) for Professional Development of Graduate Students is now accepting applications through November 23.

The 5th Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Grant Opportunity is due February 15, 2017.

*Featuring Tiffany Farmer, PhD, Director, Education and Community Engagement, Adventure Science Center*  
Tuesday, January 17  
9:00-10:00am  
PRB 206  
Registration is requested.
The ASPIRE Program maintains a list of internship opportunities that are outside the administration of BRET. The database of opportunities are updated often, but occasionally, interesting opportunities are featured here!

**Featured Internships Outside of ASPIRE** (see link for a full list and more details):

- Launch Tennessee's Specialist Program (Nashville, TN)
- Science Communications and Outreach Intern, Batten Disease Research Foundation (remote opportunity)

Check out others in the BRET-curated Internship list!

**JOB OPPORTUNITIES**

In an effort to simplify the information found on the often-updated Office of Career Development Blog, job postings can be found on Twitter. Find a tutorial on this feature on our blog.

Follow us on Twitter! [@VUBRETPhDJobs](https://twitter.com/VUBRETPhDJobs)

If you would like to advertise an open job or postdoc position in the BRET Office of Career Development newsletter, please post the opportunity through our [webform](https://www.vanderbilt.edu/bret/job-postings) or contact Kate Stuart. We welcome submissions from faculty, alumni, postdocs, students, and the community.

**Local Opportunities**

- Postdoctoral Position, Language Neuroscience Lab, VUMC, Nashville, TN
- Data Scientist, Tenet Health, Nashville, TN
- Medical Science Liaison (focus on movement disorders), Teva Pharmaceuticals (Nashville)
- Technical Sales Consultant, Miltenyi Biotec Inc, Tennessee territory
- Assistant Professor, Developmental Science, University of Massachusetts Amherst, Amherst, MA
- Associate or Full Member Faculty, Fred Hutchinson Cancer Research Center, Seattle, WA
- Assistant Director, Career Management, Northwestern University, Chicago, IL
**Other Opportunities**

- **Postdoctoral Research Fellow, Campylobacter, College of Science, University of Lincoln, NE**
- **Several postdoc and faculty, research and non-research jobs, Jackson Labs**
- **Cato Research Fellows Program (clinical research)**
- **Assistant/Associate Professor, Pharmacology, Drake University College of Pharmacy & Health Sciences, Iowa**
- **Tenure-Track Neurobiology Physiology Behavior, Northern New Mexico College, Espanola, New Mexico**
- **Visiting Scientist Fellowship, Eli Lilly, Indianapolis, IN**
