ANNOUNCEMENTS

Practice Faculty Interviews with Roger Chalkley: In the months of December, January, and February on Tuesday and Thursday mornings at 8am, Roger Chalkley is offering to help postdocs who are currently interviewing for research faculty jobs by doing an individual practice interview session. Please email angela.zito@vanderbilt.edu to sign up and register for a date.

The Spring 2018 ASPIRE Modules have been announced. Check out the offerings!

Paying Uncle Sam: Understanding Taxes for Stipends, Grants & Fellowships: Are you a graduate student or postdoc with tax questions? Unsure of how your fellowship is taxed? Wondering about which tax credits and deductions should you can take advantage of this tax season? On Thursday, January 18, come and have your tax questions answered by CPAs Briana Mullenax and Cindy Anderson, senior managers of Lattimore, Black, Morgan, & Cain.

Volunteer with Vanderbilt Student Volunteers for Science (VSVS), an outreach program that’s available fall and spring semester. The organization goes to local middle schools with quick lessons to teach students an introduction to various subjects in science

EdgeforScholars.org is awarding $1,000 for travel to Translational Science 2018 to the author of the most viewed blog post between now and February 13, 2018.

This spring, online courses through CIRTL will be running 5 courses, 7 workshops, 5 drop-in event series and 2 stand-alone events, 1 MOOC, 1 face-to-face teaching institute, and 1 online community of practice. If you’ve never checked out CIRTL, now’s a good time!
Learn more about the management consulting firm BCG and what they want current applicants to know.

The Caspar Wistar Fellow Program is looking for two postdocs for faculty positions. Applications will be evaluated by January 29, 2018.

Apply for the AAAS Mass Media Science and Engineering Fellowship which is open from October 16-January 15.

MODULE ANNOUNCEMENT

The BRET Office of Career Development is now accepting applications for the following ASPIRE Modules for Spring 2018:

- Creating Effective Scientific Talks and Delivering Them with Confidence
- Practical Strategies for Strong Writing
- STEM Teaching in K-12 Schools

Applications are now open. Deadline for these modules is Friday, January 5. Please go to the ASPIRE Modules webpage for more details on each module as well as how to apply.
