EVENTS UNTIL 2016 (!)

**STEM K-12 Teaching Information Session**
Led by Jennifer Ufnar, PhD
Tuesday, December 15 • 11am • Light 350

2016 ASPIRE Module Application Deadline: Wednesday, December 23

The **CV/Resume Clinic** on Wednesday, December 16 and December 30 will be from 2-3pm

Starting 2016, CV/Resume Clinic will be Wednesdays, 12:30-1:30pm (NEW TIME!)

ANNOUNCEMENTS

Join us on Tuesday for an **Information Session on STEM Teaching in K-12 Schools**, led by Jennifer Ufnar, PhD.

Check out the **ASPIRE internship opportunities currently open**! See the full listing in the
The full listing in the Internships section below.

The **ASPIRE Spring 2016 Module offerings** have been announced (deadline 12/23/15), including:

- STEM Teaching in K-12 Schools
- Practical Strategies for Strong Writing

**Changes to the CV/Resume Clinic in 2016**: please note that hours will change for the CV/Resume Drop In Clinic. Starting in 2016, the clinic will remain on Wednesdays, but the time will be from 12:30-1:30pm. January 6, 2016 will be the first clinic at that time. We hope this will allow for more opportunities to attend.

The **Postdoctoral ASPIRE Cafe Spring 2016 Schedule** has been announced!

The **Vanderbilt University Advanced Degree Consulting Club** is recruiting officers and members.

The Vanderbilt Institute for Global Health will host a **Global Health Case Competition** in January.

**Blogging and other writing opportunities** are available for the NIH BEST Consortium website.

A **Layout Editor opportunity** is available for the BRET Newsletter, "Results and Discussion."

VU-CIRTL is conducting an **Evidence-based Teaching Workshop** January 7th and 8th.

Join Life Science Tennessee for their annual **Day on the Hill** event on Tuesday, February 9.

Offered by the California Council on Science and Technology (CCST), the **CCST Science and Technology Policy Fellowship** places professional scientists and engineers in the California State Legislature for one-year appointments.

The **American Center for Reproductive Medicine at Cleveland Clinic** is offering a unique, highly integrated 7-week research internship to pre-med and graduate medical students this summer from June 13 to July 29, 2016.
The BRET Office of Career Development provides the right tools for your career development toolbox so that you are equipped for the job search.

We provide services but these resources should be treated with respect.

Check out our Professionalism Policy.

Happy holidays from the BRET Office of Career Development!
JOB OPPORTUNITIES

In an effort to simplify the information found on the often-updated Office of Career Development Blog, job postings can be found on Twitter. Find a tutorial on this feature on our blog.

Follow us on Twitter!

@VUBRETPhDJobs

Do you have questions about this new feature? Don’t hesitate to email Kate Stuart for more information. If you would like to advertise an open job or postdoc position in the BRET Office of Career Development newsletter, please post the opportunity through our webform or contact Kate Stuart. We welcome submissions from faculty, alumni, postdocs, students, and the community.
