

# STUDENT DAY

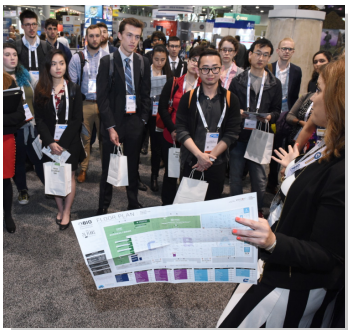

## WEDNESDAY, JUNE 5

**To encourage students and young professionals to engage with the biotechnology industry, STUDENT DAY is back!**

As the world's largest biotech event, the BIO International Convention provides several specialized opportunities for young professionals seeking a career in biotechnology and pharma.

This program provides students with a **free Exhibition Access** registration (\$300+ value), as well as specialized programming and networking on **Wednesday, June 5**.

**Students will receive a targeted one-day agenda highlighting:**

### LIMITED EDUCATION PROGRAMMING INCLUDING:

- 220+ Company Presentations
- Start-up Stadium
- BioProcess Theater
- Emerging Opportunities in Global Markets
- Global Innovation Hubs
- 1,800 Exhibitors

### NETWORKING ACTIVITIES:

- Student Day Orientation
- Women In Bio Meet-Up
- Academic Meet-Up

**Want to Attend? Know someone who does?  
Visit [convention.bio.org/studentday](http://convention.bio.org/studentday) to learn more!**
