ANNOUNCEMENTS

Don’t miss! **PRIME, Inc for a virtual employer information session** TODAY at noon. Come
learn about PRIME, about a career path in medical education, and about PRIME's PhD Student Fellowship Program.

October's PhD Career Stories features Dr. Dan O’Brien. With an extensive background in science communication and project management, this is one you don't want to miss! This Friday, October 29. Be sure to register to receive the Zoom login information.

Registration open for the 15th Annual VPA Symposium, which will be held in-person, at the Student Life Center, on November 1st! This one-day symposium will provide an opportunity for postdocs to network, engage in scientific discussions, and hear about the amazing research being conducted by fellow postdoctoral scholars.

The next Vanderbilt Women’s Center Women in the Academy Series session with be held on November 17, with "A Conversation on Mentoring."

Vanderbilt's English Language Center is offering a Postdoc Workshop this Fall on December 10. The session will focus on strategies for effectively communicating with your advisor or mentor, resources for balancing productivity and mental health while managing postdoc responsibilities, and general tips for making the most of your postdoc years.

The Graduate Leadership Institute will be featuring a workshop on October 28, "The art of Negotiation." Learn the dominant approaches to negotiation and their differences/trade-offs, understand power in negotiation and gain some insight into your negotiation tendencies, strengths, and weaknesses.

Whether you are preparing for a career within or beyond the academy, you will be working with other people towards common goals. The Graduate Leadership Institute will be conducting a 2 part workshop on "Team Dynamics" Scheduled for Tuesday, November 2 & Tuesday, November 9.

International Student and Scholar Services is hosting three upcoming seminars:

- Can I do that? What is and isn’t Employment?: Monday, October 25, 2021 at 12PM
- Immigration Options after OPT/AT with Immigration Attorney Adam Cohen: November 2, 2021 at 11:30AM
The next Academic Life Coach and UCC Peak Performance Series session will be held on October 29, discussing "Performing Under Pressure, Fighting Procrastination, & Increasing Efficiency"

Children’s Hospital of Philadelphia (CHOP) is pleased to announce the upcoming Gateway to Pediatric Research Program, taking place virtually on November 17, 2021, and Spring 2022.

The Chateaubriand Fellowship is accepting applications! This is a grant offered by the Embassy of France in the United States. It supports outstanding Ph.D. students from American universities who wish to conduct research in France for a period ranging from 4 to 8/9 months.

The Translational Science Interagency Fellowship (TSIF) program is jointly sponsored by NCATS and the U.S. Food and Drug Administration (FDA) and aims to provide training in both translational science and regulatory science. Currently accepting applications that are due December 15.

The Burroughs Wellcome Fund is accepting applications for its 2022 Postdoctoral Enrichment Program. These awards would support career-development activities for underrepresented minority postdoctoral fellows in a degree-granting institution whose training and professional development are guided by mentors committed to helping the fellow advance into a career in biomedical or medical research.

Memorial Sloan Kettering Cancer Center (MSK) is actively recruiting postdocs. Postdocs would join a vibrant community of nearly 600 others pursuing a fertile range of scientific topics, all the while developing their skills and professional potential among a diverse mix of talented colleagues.

Become a LS-PAC MODELS Center Scholar! The mission of the Center is to increase diversity in academic jobs through mentoring, professional development, and career networking opportunities for historically underrepresented students, postdocs, and early-career faculty.
