ANNOUNCEMENTS

ASPIRE is offering the **Networking Pacing Module** this Spring! Join Ashley Brady, PhD in building an elevator pitch, preparing for a conference/networking event, and making those connections! Applications are due January 17!

Join **MSKView** February 1 & 2, an event designed to provide senior-level graduate students and early stage postdocs from underrepresented groups insights about training as a postdoc at Memorial Sloan Kettering (MSK). Deadline to apply is January 5.

The Dannon Company is pleased to announce its 10th **Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Grant** opportunity. As part of their continued commitment to support scientists and advance research of the gut microbiome, The Dannon Company is offering two grants
of $25,000 each to undergraduate, graduate or postdoctoral scholars to enhance their academic path. Application deadline is February 14.

The Simons Foundation Autism Research Initiative (SFARI) is pleased to announce the 2021 Bridge to Independence Award request for applications (BTI RFA). The BTI Award program promotes talented early-career scientists by facilitating their transition to research independence and providing grant funding at the start of their professorships.
