Presents:

Precision Medicine: Identifying Actionable Mutations and Genes in Cancer from Next-Generation Sequencing Data.

Zhongming Zhao, Ph.D., M.S.
Associate Professor
Department of Biomedical Informatics
Vanderbilt School of Medicine
Center for Quantitative Sciences

&

Qingguo Wang, Ph.D.
Postdoctoral Research Fellow
Department of Biomedical Informatics
Vanderbilt School of Medicine

FRIDAY, FEBRUARY 21ST, 2014
12:00 PM TO 1:00 PM
898-J PRB

sponsored by
Vanderbilt-Ingram Cancer Center
Vanderbilt Center for Quantitative Sciences

Participation worth a maximum of one (1.0) CME credit

Vanderbilt School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of the ACCME and Vanderbilt School of Medicine to require disclosure of financial relationships with individuals in a position to control the content of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.

Please contact Jill Shell at jill.shell@vanderbilt.edu or 6-6760 with any questions or comments.
A schedule of the series and additional information is available at: https://medschool.vanderbilt.edu/cgs/workshop2014
