<tbody>
<tr>
<td>Carlucci, Jimmy</td>
<td>Universidade Eduardo Mondlane, Maputo, Mozambique</td>
<td>Troy Moon, Associate Professor of Pediatrics, Division of Infectious Diseases</td>
<td>Developed and implemented quality improvement curriculum for Mozambican health care providers working in HIV programs in Mozambique.</td>
</tr>
<tr>
<td>Davis, Alaina</td>
<td>Monroe Carell Jr. Children's Hospital at Vanderbilt, Nashville, TN</td>
<td>Barron Patterson, Associate Professor of Pediatrics, Vice Chair for Ambulatory Services</td>
<td>Contributed to quality improvement efforts for the Mid-South Practice Transformation Network, participated as a mentor and lecturer in the Quality and Safety Academy at Vanderbilt Children's Hospital, and aided in review of American Academy of Pediatrics Maintenance of Certification Part 4 applications.</td>
</tr>
<tr>
<td>Fathy, Cherie</td>
<td>Monroe Carell Jr. Children's Hospital, Pediatric Trauma &amp; Injury Prevention Program, Nashville, TN</td>
<td>Purnima Unni, Pediatric Trauma Injury Prevention Program Manager</td>
<td>Worked with the Pediatric Trauma Injury Prevention Center/Injury Free Coalition for Kids at Vanderbilt Children's Hospital on injury prevention efforts. Reviewed the records in the trauma registry to identify patients with a golf cart injuries and analyzed variables that predict causes of injury and the most common types of injury from golf carts.</td>
</tr>
<tr>
<td>Imdad, Aamer</td>
<td>Tennessee State Department of Health, Nashville, TN</td>
<td>John Dunn, Epidemiologist</td>
<td>PulseNet USA is a national laboratory network that connects foodborne illness cases to detect outbreaks caused by selected enteric bacteria. I worked with the Tennessee Department of Health to develop a tool to rapidly identify enteric pathogens in a timely fashion and guide clinical decision-making, thereby improving food safety.</td>
</tr>
<tr>
<td>Lewis, Kailey</td>
<td>Tennessee Department of Health – FoodCORE, Nashville, TN</td>
<td>Steffany Cavallo, Epidemiologist</td>
<td>Conducted active surveillance by interviewing patients in TN who tested positive for Salmonella or Shiga toxin-producing E. coli in order to determine potential trends, clusters, and outbreaks. Worked with epidemiologists to investigate these clusters/outbreaks, and provided education to the public on pathogens most commonly associated with foodborne illnesses, potential risks, and ways to mitigate these risks.</td>
</tr>
<tr>
<td>Presley, Caroline</td>
<td>Veterans Administration – Tennessee Valley Healthcare System, Nashville, TN</td>
<td>Amanda Mixon, Assistant Professor of Medicine, General Internal Medicine and Public Health</td>
<td>Worked on a quality improvement project within the Veterans Administration system to improve medication reconciliation. Participated in mentoring sites, and performed data analysis and provided feedback to each site on the effect of their interventions.</td>

<td></td>
<td>Medical Director</td>
<td></td>
</tr>
<tr>
<td>Anderson, Frances</td>
<td>Minnesota Department of Health</td>
<td>Ann Linde</td>
<td>Monitored grant deliverables and provided assistance to the Refugee and International Health Department at the Minnesota Department of Health (MDH). Completed an evaluation of the Community Health Promotion Project for MDH.</td>
</tr>
<tr>
<td></td>
<td>St. Paul, Minnesota</td>
<td>International Health Planner</td>
<td></td>
</tr>
<tr>
<td>Fletcher, Grace</td>
<td>Wuqu’ Kawoq</td>
<td>Anita Chary</td>
<td>Worked with the Wuqu’ Kawoq nutrition education and nutrition recuperation programs in program improvement and monitoring and evaluation (M&amp;E) activities. Revamped M&amp;E tools for nutrition education program in rural indigenous communities. Developed and piloted culturally appropriate surveys; trained community health workers to use new tools; set up data management system.</td>
</tr>
<tr>
<td></td>
<td>Tecpan, Guatemala</td>
<td>Research Director</td>
<td></td>
</tr>
<tr>
<td>McGinnis, Katie</td>
<td>Bethany Kids Children’s Center</td>
<td>Mardi Steere</td>
<td>Helped design, implement, or improve psychosocial care services for hospitalized children and families. Shadowed local health care workers, conducted weekly professional development sessions on children’s psychosocial care topics, and created new teaching materials and program resources for local staff. Created and administered needs assessment surveys on the psychosocial needs of hospitalized children and families, existing psychosocial care practices, and gaps-in-care to parents/caregivers and hospital staff at two hospital facilities.</td>
</tr>
<tr>

</tr>
<tr>
<td>Octaria, Rany</td>
<td>Tennessee Department of Health</td>
<td>Marion Kainer</td>
<td>Conducted surveillance data management for Carbapenem-Resistant Enterobacteriaceae with the Tennessee Department of Health. Provided support to the CDC’s Division of Global Health Protection’s Rabies One Health Networking Project. Gathered and analyzed data from six partner countries regarding rabies surveillance activities, human and canine rabies cases, and disease prioritization.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Director of Healthcare Associated Infections and Antimicrobial Resistance Program</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Centers for Disease Control and Prevention</td>
<td>Stephanie Salyer</td>
<td>Engaged in biomedical informatics activities at Moi University and Eduardo Mondlane University. Observed the protocols approval process during the bioethics committee meetings. Assisted with REDCap training sessions in Nairobi and Eldoret hosted by the Institute of Biomedical Informatics at Moi University and the Institute of Healthcare Management at Strathmore Business School.</td>
</tr>
<tr>
<td></td>
<td>Atlanta, GA</td>
<td>Acting Epidemiology Team Lead</td>
<td></td>
</tr>
<tr>
<td>Ossemane,</td>
<td>Moi University</td>
<td>Martin Were</td>
<td>Served as a community health coordinator at Siloam Family Health Center. Planned and performed health fair assessments, analyzed data and wrote reports, created a community health review form and surveys, provided monitoring and evaluation of the program, and created a health library resource. Gained an understanding of how faith-based NGO operates and how to apply community health promotion skills in practice.</td>
</tr>
<tr>
<td>Ezequiel</td>
<td>Eldoret, Kenya</td>
<td>Visiting Associate Professor of Medicine</td>
<td></td>
</tr>
<tr>
<td></td>
<td>University Eduardo Mondlane</td>
<td>Mohsin Sidat</td>
<td>Developed a focus group study to understand African American parents’ perceived roles in the infant feeding decision process, and created a breastfeeding evidence synthesis document. Summarized qualitative findings from community members and compiled recommendations for TDH and community partners on decreasing disparities in breastfeeding among black/white populations.</td>
</tr>
<tr>
<td></td>
<td>Maputo, Mozambique</td>
<td>Dean of the Faculty of Medicine</td>
<td></td>
</tr>
<tr>
<td>Sarko, Kidane</td>
<td>Siloam Family Health Center</td>
<td>Amy Richardson</td>
<td>Provided support to the Global Polio Eradication Initiative at the CDC by analyzing the database for the evaluation of the Acute Flaccid Paralysis (AFP) surveillance in the Democratic Republic of Congo in 2014. Deployed to Conakry, Guinea to evaluate the performance of the AFP surveillance in the country. Deployed to Kinshasa, DRC as part of the Yellow Fever outbreak response team.</td>
</tr>
<tr>
<td></td>
<td>Nashville, TN</td>
<td>Community Health Outreach Director</td>
<td></td>
</tr>
<tr>
<td>Tage, Shanel</td>
<td>Tennessee Department of Health</td>
<td>Michael D. Warren</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Nashville, TN</td>
<td>Assistant Commissioner, Division of Family Health and Wellness</td>
<td></td>
</tr>
<tr>
<td>Umutesi, Grace</td>
<td>Center for Disease Control and Prevention (CDC)</td>

<td>---------------------------------------------------</td>
<td>------------------------------------------------</td>
<td>-----------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Wahlfeld, Christopher</td>
<td>Lwala Community Alliance</td>
<td>Kelly Peuquet Monitoring and Evaluation Fellow</td>
<td>Worked with the Lwala Community Alliance’s community health office to assist with HIV/AIDS WASH Integrated (HAWI) program. In addition to attending meetings and interviewing staff and community health workers, created a HAWI scorecard and a report on the roles of Lwala staff integrally involved in the project.</td>
</tr>
<tr>
<td>Allen, Julia</td>
<td>Tennessee Department of Health</td>
<td>Eric Harkness Director, Office of Health Policy</td>
<td>Conducted an investigation into the benefits and barriers to combining the Department of Health's programs using home visiting with patient centered medical homes. Met with various stakeholders including managed care plan representatives and TDH program leaders. Conducted a literature review on outcomes of similar programs and made recommendations based on findings.</td>
</tr>
<tr>
<td>Greenberg, Sarah</td>
<td>TennCare - Strategic Planning and Innovation Group, Health Care Finance and Administration</td>
<td>Brooks Daverman Director</td>
<td>Worked on Episodes of Care project for the State of Tennessee. Assisted with the three phases of an episode's life cycle: design, implementation and maintenance. Worked closely with managed care organizations (MCOs) and provider stakeholders.</td>
</tr>
<tr>
<td>Renno, Markus</td>
<td>American Academy of Pediatrics</td>
<td>Julie Raymond Manager, Young Physician Initiatives</td>
<td>Contributed to various American Academy of Pediatrics efforts related to child health and the U.S. health care system, including projects to improve the pediatric subspecialty match and address the professional needs of fellowship trainees. Also assisted in drafting a transition document for the next president of the United States.</td>
</tr>
<tr>
<td>Smith, Cassie</td>
<td>MissionPoint Health Partners</td>
<td>Jordan Asher Chief Clinical Officer, Chief Innovation Officer</td>
<td>Worked as a Clinical Quality &amp; Innovation Intern at MissionPoint Health Partners, an ACO based in Nashville. Participated in a diverse set of projects including developing a 3-day skilled nursing facility (SNF) waiver for Medicare Shared Savings Program members, recommendations to reduce SNF costs, and an evaluation of Part B drug spending. Created a monthly metric scorecard for each population.</td>
</tr>
