

Vanderbilt MPH Program Housing Resources for MPH Students

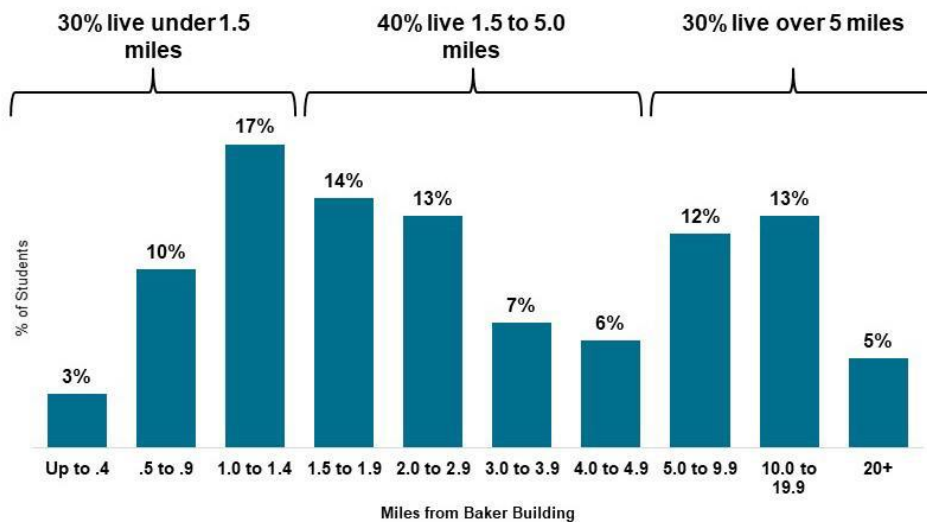

While Vanderbilt University does not provide on-campus housing for graduate students, there are a lot of off-campus housing options for students within walking distance to campus and in the surrounding areas. Students may find these resources helpful when researching places to live and looking for roommates.

Where Vanderbilt Graduate and Professional Students Live

Students find apartments within 30 minutes of the University though cost varies depending upon age of the buildings and complexes, level of safety, whether they are close to shopping, services and transportation, and proximity to the city and nightlife.
