EXPERIENCE

Data Quality Specialist, HIV Epidemiology and Surveillance

May 2022 – Present

Tennessee Department of Health | Nashville, TN

Ensure the accuracy of data disseminated to the public through projects working towards high-quality data. Learning SAS and Tableau throughout data visualization projects such as one-pagers, slide decks, and the epi profile for HIV in Tennessee.

Pharmacy Technician

Aug. 2020 - Present

Kroger | Nashville, TN

Provide efficient and informative aid to customers on the phone and at the register. Work closely with the head pharmacist and other technicians to input, dispense, label, and verify prescriptions in a timely manner to ensure customer satisfaction.

Data Visualization Intern, HIV Epidemiology and Surveillance

Jan. 2022 – May 2022

Tennessee Department of Health | Nashville, TN

Collaborate with and learn from the team responsible for HIV surveillance at the Tennessee Department of Health. Synthesize, aggregate, and disseminate data to educate communities and destigmatize HIV. Completed data entry for the 2020 Tennessee HIV Epidemiological Profile and presented in the Tennessee Department of Health Statewide HIV Annual Conference.

Office Assistant to the Director, Public Health Program

Aug. 2019 – May 2022

Belmont University | Nashville, TN

Enhance the Public Health Program by implementing and maintaining a monthly newsletter, bringing in educational speakers from a wide array of public health fields, hosting events for the betterment of the program, working on a publication, and maintaining strong communication between the students and the faculty.

Key Accomplishments:

- Tobacco Legislation SB0028, Tennessee Public Chapter 574, 07/01/2021
- Co-Founded a student organization to bring together the program as well as students with an interest in public health.
- Created a monthly newsletter to keep students up to date on events, public health news, and professional development opportunities.

Contact Tracer, Administrative Assistant

Jan. 2021 – Jan. 2022

Belmont University | Nashville, TN

Communicate with Belmont University students and parents to slow the spread of COVID-19 on Belmont's campus. Collaborate with nursing staff, residence life directors, and contact tracers to effectively find and quarantine positive cases and contacts.

Co-Founder and Director of PowerServe

2016 - 2018

Town of Windham, Maine | Windham, ME

Co-founded and directed a service day in my community for three years. My team focused on the needs of the elderly, chronically sick, and veterans. In one year, I raised \$4,700 in corporate sponsorship and mobilized over 200 people. This event still runs annually under new leadership, providing help to those in need.

School Board Student Representative

2017 - 2018

Windham High School | Windham, ME

Represented the school body of 1,200 students with a seat on the school board. This was a faculty-nominated position.

RESEARCH AND PRESENTATIONS

Samantha Mathieson, MPH, Jack Marr, MPH, **Genevieve Delano**. New Data Products (2022). Presentation at the Tennessee Department of Health Statewide HIV Annual Conference.

COVID-19 Vaccine Efficacy in the United States Among Different States and Age Groups (2021). Presented at the annual, Science Undergraduate Research Symposium (SURS).

Christian L. Williams, DrPH, MPH; Kathryn Dambrino, DNP, APRN, FNP-BC, **Genevieve Delano**: (2020). Assessing Facilitators and barriers to Flu Vaccine Uptake among Undergraduate College Students. Genevieve Delano; Christian L. Williams, DrPH, MPH; (2020). The Perception of the Flu Vaccine Among College Students During the COVID-19 Pandemic. Poster presented at the Belmont University Research Symposium (BURS) 2022.

LEADERSHIP, ORGANIZATIONS, AND HONORS SOCIETIES

President and Co-Founder, Public Health Student Association

2019 – May 2022

Belmont University | Nashville, TN

Worked with a team of two other students to create this student association in 2019. The focus is on spreading awareness pertaining to public health, creating a safe space for important conversations, and hosting events for professional development and community service. *Student Organization Member of the Year 2021*

Vice President, Alpha Chi Honors Society

2021 – May 2022

Belmont University | Nashville, TN

Assisted with event planning, induction ceremonies, and communications with members and sponsors.

Finance Deputy, Kappa Alpha Theta

Dec. 2019 – Dec. 2020

Belmont University | Nashville, TN

Current member of Kappa Alpha Theta. Served as finance deputy.

Member, Belmont Office of Leadership Development (BOLD)

Sept. 2018 – May 2022

Belmont University | Nashville, TN

Participated in events, retreats, and outside work geared towards becoming a strong leader. The curriculum took four years to complete and had a large service component.
