GUEST SPEAKERS

Julie Adams, MD
University of Minnesota
Assistant Professor

James Calandruccio, MD
UT Campbell Clinic
Physician

Edward Craig, MD
Hospital of Special Surgery
Professor

Randy Ferlic, MD
South Bend Orthopaedics & Sports Medicine
Physician

Hill Hastings, MD
Indiana Hand Center
Physician

Grant Lohse, MD
Proliance Orthopaedics
Physician

John Mowbray, MD
Resurgens Orthopaedics
Physician

Andrew Neviaser, MD
George Washington University
Assistant Professor

Robert Neviaser, MD
George Washington University
Professor/Chairman

Nicholas Papps, MD
Louisiana University
Assistant Professor

Scott Steinmann, MD
Mayo Clinic
Professor

Peter Stern, MD
University of Cincinnati
Professor/Chairman

Robert Strauch, MD
Columbia University
Professor

Christopher Stutz, MD
Texas Scottish Rite
Assistant Professor

Peter Stern, MD
University of Cincinnati
Professor/Chairman

Jeffrey Watson, MD
Colorado Springs Orthopaedics
Physician

VANDERBILT SPEAKERS

Donald H. Lee, MD
Vanderbilt University
Professor

Douglas Welkerd, MD
Vanderbilt University
Associate Professor
Friday, April 10, 2015

7:20am - 7:50am  Registration  11:20am - 12:20pm  Q&A
7:50am - 8:00am  Welcome  12:20pm - 1:00pm  Lunch

SHOULDER
8:00am - 8:20am  Rotator Cuff Tears (Dr. Robert Neviaser)  1:20pm - 1:40pm  Proximal Interphalangeal Joint
8:20am - 8:40am  Shoulder Arthroplasty (Dr. Edward Craig)  1:40pm - 2:00pm  Distal Radial Malunion
8:40am - 9:00am  Proximal Humeral Fractures  (Dr. Andrew Neviaser)
9:00am - 9:20am  Shoulder Instability (Dr. Scott Steinmann)  2:00pm - 2:20pm  Flexor Tendon (Dr. Julie Adams)
9:20am - 9:40am  Break

ELBOW
9:40am - 10:00am  Total Elbow Arthroplasty (Dr. Hill Hastings)  3:00pm - 3:20pm  Extensor tendon (Dr. John Mowbray)
10:00am - 10:20am  Proximal Radial/Ulnar Fracture  (Dr. Robert Strachuk)
10:20am - 10:40am  Cubital Tunnel (Dr. Nicholas Pappas)
10:40am - 11:00am  Pediatric Supracondylar Fractures (Dr. Chris Stults)
11:00am - 11:20am  Distal Humerus Fracture (Dr. Jeff Watson)

Program subject to change

Saturday, April 11, 2015

Saturday Surgical Dissections: (15 minute dissections)
Shoulder and Elbow (Moderator: Dr. Donald Lee)
7:30am - 7:50am  Registration/Breakfast  10:15am - 12:15pm  Cadaver Lab
7:50am - 8:00am  Welcome  12:15pm - 1:00pm  Lunch

SHOULDER
8:00am - 8:15am  Rotator Cuff Repairs (Dr. Robert Neviaser)
8:15am - 8:30am  Shoulder Arthroplasty (Dr. Edward Craig)
8:30am - 8:45am  Proximal Humeral Fracture
8:45am - 9:00am  Open Instability Repair (Dr. Scott Steinmann)

ELBOW
9:00am - 9:15am  Elbow Arthroplasty (Dr. Bill Hastings)
9:15am - 9:30am  Proximal Radial/Ulnar Fracture (Dr. Robert Strachuk)
9:30am - 9:45am  Cubital Tunnel (Dr. Nicholas Pappas)
9:45am - 10:00am  Pediatric Upper Extremity Fractures (Dr. Chris Stults)
10:00am - 10:15am  Distal Humerus Fractures (Dr. Jeff Watson)

Program subject to change

AMERICANS WITH DISABILITIES ACT
It is the policy of Vanderbilt University School of Medicine not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in this act in order to fully participate in this continuing education activity, please contact Karen Shelton at 615-322-4683 or karen.shelton@vanderbilt.edu or attach a note to your registration form.

Disclosure
It is the policy of Vanderbilt University School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/ unapproved uses of drugs or devices during their presentations.

PURPOSE
This conference provides the most up-to-date information for the assessment and treatment of various upper extremity conditions.

LEARNING OBJECTIVES
After participating in the didactic and skills session of this CME activity, participants should be able to describe and discuss:

- Tips of the Trade in conditions in the hand & wrist involving, distal radius fractures, SNAC/SLAC, flexor tendon repairs, nerve repairs.
- Tips of the Trade in conditions in the elbow involving, distal humerus fractures, radial head fractures. Distal biceps ruptures, cubital tunnel syndrome, pediatric supracondylar fractures.
- Tips of the Trade in conditions in the shoulder involving, AC joint dislocations, hemiarthroplasty vs TSA, rotator cuff tears, proximal humeral fractures.

PROGRAM OVERVIEW
As a result of this activity, we expect physicians and health care professionals to be able to recognize, identify, and use the newest and most up-to-date evidence-based medical information needed for the assessment and treatment of various upper extremity conditions including the following:

Hand and wrist conditions: Dupuytren’s Contracture, Flexor Tendon Injuries, Thumb Arthroplasty, Hand Joint Implants, Nerve Repairs and Pediatric Disorders

Elbow conditions: Chronic Distal Biceps Tendon Repair, Wound Care, Elbow Peripatellar Fractures

Shoulder conditions: Shoulder Fractures and Partial Rotator Cuff Tears. Additionally topics including: Advances in Electronic Media and Surgery Billing Issues and Treatment of Occupational Disorders of the Upper Extremity will be discussed.

On day two of the conference, surgical dissections and techniques will be performed by the faculty on the following:

Hand procedures: Hemi-Hamate PIPJ Arthroplasty, Collagenase Injections and Nerve Allografts

Wrist procedures: Locking Plates in Upper Extremity and Synthetic Skin Substitutes

Elbow procedures: Contracture Release, Repair of Distal Biceps Tendon Rupture, Proximal Humerus Fracture

Shoulder procedures: Open Rotator Cuff Repair, Repair of Coronoid Fractures. The purpose of these procedures is to allow participants to view these procedures as performed by the faculty and allow questions to be asked during the procedures.

TARGET AUDIENCE
Orthopaedic Surgeons, Primary care physicians, plastic and general surgeons, nurses, athletic trainers, physical and occupational therapist, residents and fellows

ACCREDITATION & CME CREDIT
Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Vanderbilt University School of Medicine designates this live activity for a maximum of 15.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing nursing education activity has been approved by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

REGISTRATION FEES & CANCELLATION POLICY
There is a $250 registration fee for physicians per day. For Allied Health Professionals the registration fee is $150 per day.

If you must cancel your registration for this course, Department of Orthopaedics/Hand & Upper Extremity Division will refund your registration fee, less a 10% administrative fee, provided you notify us by March 26th, 2015. No refunds will be made after that date. Exceptions will be made for justifiable emergencies.

Registration may be transferred to another person or to another course date.

In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, Vanderbilt University will refund registration fees in full.

Vanderbilt University is not responsible for non-transferable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this CME activity.

LOCATIONS
The program will be held at two separate locations:
Friday sessions will be held at the Opryland Hotel 2800 Opryland Dr. Nashville, Tennessee 37214.
Saturday’s cadaver session will be held at the anatomy lab on the 10th floor of the Vanderbilt Institute of Imaging Science building (MCN AA-1105). Parking for Saturday’s session will be at the MCE garage.
