CME Information

PURPOSE

The purpose of this conference will provide practicing surgeons with access to the most recent subspecialty research; complex health policies that are currently undergoing transition at all levels and the confusion caused by these transitions; management of sports injuries associated with endurance sports with respect to best practice; management of low back pain in worker’s compensation cases with respect to best practice; complex neck pathology management and the demands of multidisciplinary involvement and understanding; and providing practicing surgeons the steps necessary for medical device development and patenting.

LEARNING OBJECTIVES

After participating in this CME activity, participants should be able to describe and discuss: and then list the objectives in a bulleted format using action verbs. The objectives must match those on the application for CME credit.

- Current evaluation of rotator cuff injuries, operative and non-operative management, complications following rotator cuff reconstruction surgery, revision rotator cuff surgery and indications and treatment with hemiarthroplasty vs TSA.
- Current evaluation of spine injuries, operative and non-operative management, complications following spine surgery.
- Current evaluation of total knee, operative and non-operative management.

TARGET AUDIENCE

Physicians.

ACCREDITATION & CREDIT DESIGNATION

Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Vanderbilt University School of Medicine designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CANCELLATION AND REFUND STATEMENTS

If you must cancel your registration for this course, Vanderbilt Orthopaedic Society will refund your registration fee, less a 10% administrative fee, provided you notify us by April 1st, 2015. No refunds will be made after that date. Exceptions will be made for justifiable emergencies.

WEDNESDAY APRIL 15TH, 2015

6:00pm – 8:00pm ........................ Welcome Reception
Location: Legends Balcony 2nd Floor Turtle Point Clubhouse
Sponsored by Vanderbilt Medical Alumni Association

THURSDAY APRIL 16TH, 2015

7:30am – 8:00am ..................... Registration/ Breakfast
7:50am – 8:00am ...................... Brent Whitel, MD
Welcome - VOS Incoming President

Symposium 1: Shoulder Reconstruction
8:00am – 8:25am ............... Brent Morris, MD
Preoperative Opioid Use and Outcomes after Reverse Shoulder Arthroplasty
8:25am – 8:50am ............... Ian Byram, MD
Shoulder Arthroplasty
8:50am – 9:15am ................. Ben Kibler, MD
How To Treat AC Separations
9:15am – 9:40am ................. Bob Snyder, MD
My Shoulder, 4 Years After Rotator Cuff Repair
9:40am – 9:50am ................. All Presenters
Panel Discussion
9:50am – 10:00am ........................... Break

Symposium 2: Sports Medicine
10:00 – 10:25am ............... Ben Kibler, MD
The Throwing Shoulder
10:25 – 10:50am ............... Chris Anderson, MD
Sports
10:50 – 11:15am ............... Bob Magnussen, MD
First Time Patellar Dislocations, How Are We Doing?
11:15 – 11:40am ............... Matt Butler, MD
Evaluation and Management of Distal Biceps Pathology
11:40am – 12:00pm ............... All Presenters
Panel Discussion

FRIDAY APRIL 17TH, 2015

7:30am – 8:00am ........................ Breakfast
7:50am – 8:00am ..................... Announcements

Chief Resident Presentations
8:00am – 8:30am ......................... Travis Menge, MD
Novel Approach to Diagnosis and Management of Hip Pericapsular Pyomyositis
8:30am – 9:00am ......................... Shawn Funk, MD
Hemiepiphysiodesis Implants for Late-onset Tibia vara: A Comparison of Cost, Surgical Success, and Implant Failure
9:00am – 9:30am ......................... Sheyan Armaghani, MD
The Effect of Narcotics on Spine Surgery
9:30am – 10:00am ..................... Justin Zumsteg, MD
Factors Influencing Infection Rate in Open Upper Extremity Fractures
10:00am – 10:15am ............................ Break

Podium Presentations
10:15am – 11:00am ............... Jon Schoenecker, MD
Heterotopic Ossification, A Recipe for Disaster
11:00am – 11:30am ...................... Bill Sale, MD
Incidence and Risk Factors of Heterotopic Ossification Following Major Elbow Trauma
11:30am – 12:00pm ............... Herbert Schwartz, MD
CIN: Clinical Integrated Networking
12:00pm – 1:00pm ..................... Business Meeting

6:00pm – 7:30pm ........................ Reception
Location: Vanderhorst Rooms 1, 2, 3
7:30pm – 9:30pm ........................ Banquet
Location: Vanderhorst Rooms 1, 2, 3

SATURDAY APRIL 18TH, 2015

7:45am – 8:00am ........................ Breakfast
7:50am – 8:00am ..................... Announcements

Symposium 3: Adult Reconstruction
8:00am – 8:25am ............... Jeremy Oryhon, MD
Anterior Approach for THA: The Learning Curve
8:25am – 8:50am ............... Brent Whitel, MD
Tranexamic Acid in Total Knee Surgery
8:50am – 9:15am ............... Gregory Polkowski, MD
Acute Phase Response Following Hip and Knee Arthroplasty
9:15am – 9:35am ......................... All Presenters
Case Presentations and Discussion
9:35am – 9:45am ............................ Break

Podium Presentations
9:45am – 10:10 am ............... Gray Stahlman, MD
My Personal Saga as a Patient with a Bone Tumor
10:10am – 10:35 am ............... Kevin O’Neil, MD
Principles of Spinal Deformity Surgery
10:35am – 11:00 am ............... Colin Crosby, MD
Spine
11:00am – 11:25am .................... Chase Corn, MD
Foot and Ankle
11:25am – 11:45am ......................... All Presenters
Case Presentations and Discussions
11:45am – 12:00pm ............... Brent Whitel, MD
Concluding Remarks - VOS Incoming President
