10:00am - 10:20am Scaphoid Fractures (Dr. Nicholas Pappas)

Program subject to change

Disclosure
It is the policy of Vanderbilt University School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity, to identify and resolve conflicts of interest related to those relationships, and to make disclosure information available to the audience prior to the CME activity. Presenters are required to discuss disclosures of unbeknownst or unapproved uses of drugs or devices during their presentations.

PURPOSE
This conference provides the most up-to-date information for the assessment and treatment of various upper extremity conditions. The faculty will present an overview of conditions involving, distal radius fractures, SNAC/SLAC, flexor tendon injuries, thumb arthroplasty, hand joint implants, nerve repairs and Pediatric Disorders.

Hand and wrist conditions: Bicipital Tendinitis, Ulnar Nerve Decompression, Transposition (Dr. Wurm Wurth)

Hand and wrist conditions: Chronic Distal Biceps Tendon Repair, Wound Care, Elbow Periarticular Fractures

Shoulder conditions: Fractures and Partial Rotator Cuff Tears. Additionally topics including: Advances in Electronic Media and Surgery Billing Issues and Treatment of Occupational Disorders of the Upper Extremity will be discussed.

On day two of the conference, surgical dissections and techniques will be performed by the faculty on the following:

Hand procedures: Hemi-Hamate Pip Joints, Collagenase Injections and Nerve Allografts

Wrist procedures: Locking Plates in Upper Extremity and Synthetic Skin Substitutes

Elbow procedures: Contracture Release, Repair of Distal Biceps Tendon Rupture, Proximal Humerus Fracture

Shoulder Procedures: Open Rotator Cuff Repair, Repair of Coracoid Fracture. The purpose of these procedures is to allow participants view how these procedures are performed by the faculty and allow questions to be asked during the procedures.

TARGET AUDIENCE
Orthopaedic surgeons, primary care physicians, plastic and general surgeons, nurses, athletic trainers, physical and occupational therapists, residents, and fellows.

ACCREDITATION & CME CREDIT
Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Vanderbilt University School of Medicine designates this activity for a maximum of 14.0AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing nursing education activity has been approved by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

REGISTRATION FEES & CANCELLATION POLICY
There is a $50 registration fee for physicians per day. For Allied Health Professionals the registration fee is $150 per day.

In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, Vanderbilt University will refund registration fees in full.

Vanderbilt University is not responsible for non-transferable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this CME activity.

LOCATIONS
The program will be held at two separate locations:

Friday sessions will be held at the Orthopedics/Hand & Upper Extremity Division at the MCE garage.

Saturday’s cadaver session will be held at the anatomy lab on the 15th floor of the Vanderbilt Institute of Imaging Science building (MCN AA-1105). Parking for Saturday’s session will be at the MCE garage.

Vanderbilt University School of Medicine designates this live activity for a maximum of 14.0AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
