Health Policy Grand Rounds

“From Pilot Intervention to National Policy: Male Engagement in Antenatal Care Services in Mozambique”

Featured Speaker: Carolyn Audet, Ph.D.

December 1, 2016
12:00 - 1:00 pm
6th Floor Board Room
2525 West End Ave.

Lunch provided for the first 30 attendees to RSVP to hpevents@vanderbilt.edu

CME credit available

Dr. Carolyn Audet will share her research on the importance of male partner engagement during pregnancy and the postpartum period to improve health outcomes. Her community-clinic linkage intervention is supported by the Ministry of Health and the Centers for Disease Control and Prevention and has led to national-level policy changes in Mozambique.

Dr. Carolyn Audet is an Assistant Professor in the Department of Health Policy, the Institute for Global Health, and the Center for Medicine, Health, and Society at Vanderbilt University.
