The Vanderbilt Memory & Alzheimer’s Center Lecture Series is now offering CME for our physician attendees and APA CE credit for our psychologist attendees. See details below.

Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of the ACCME and Vanderbilt University School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.

Vanderbilt University School of Medicine is approved by the American Psychological Association to sponsor continuing education for psychologists. Vanderbilt University School of Medicine maintains responsibility for this program and its content.

Vanderbilt University School of Medicine designates this educational activity for 1 CE credit toward the continuing education for psychologists.
