

VICB SEMINAR

WEDNESDAY
SEPTEMBER 16
12:15 PM
VIA ZOOM

Webinar ID: 965 8652 3464

Password: 838888

CHUAN HE - UNIVERSITY OF CHICAGO

"RNA METHYLATION IN GENE EXPRESSION REGULATION"

Recommended Reading!

- N⁶-methyladenosine of chromosome-associated regulatory RNA regulates chromatin state and transcription bit.ly/3jV71OG
- Kethoxal-assisted single-stranded DNA sequencing captures global transcription dynamics and enhancer activity in situ go.nature.com/3bKXRTw

VANDERBILT INSTITUTE *of* CHEMICAL BIOLOGY

Harnessing the Power of Chemistry to Improve Human Health
