

# Medical Volunteers Needed

***"It's the Best Week of the Year"***

*At MDA Summer Camp, kids with muscular dystrophy and related diseases can live beyond limits.*

*MDA is searching for medical staff to volunteer their time at our summer camp in May 2018. If you are interested in this opportunity please apply at [www.mda.org/volunteer](http://www.mda.org/volunteer) or contact Jessica Waits at (502)456-1440*

# Who we are

*We're fighting to free individuals — and the families who love them — from the harmful effects of muscular dystrophy, ALS and related life-threatening diseases so they can live longer and grow stronger.*

# What we do

*MDA Summer Camp is a magical place where anything is possible — from swimming, to zip-lining and horseback riding to dancing under a disco ball and gaining valuable life skills. Each summer, thousands of kids attend life-changing, overnight camps around the U.S. — at no cost to their families, thanks to our generous supporters.*

# What you can do

*If you are available for a multi-day camp, we'd love for you to apply to join us as a volunteer medical staff member! Medical staff supervise and maintain the health and well-being of our campers by dispensing medications, delivering first aid, and more. To apply, please visit [www.mda.org/volunteer](http://www.mda.org/volunteer).*
